Summary

Motivated Visual Communication Technology student, graduating in 2026, with hands-on experience in design software, digital media production, and visual storytelling. Skilled in creating impactful visual content across print, web, and interactive platforms. Currently developing expertise in Adobe Creative Suite, video editing, photography, and UX. Collaborative team player with strong attention to detail, and a passion for blending creativity with technology to deliver engaging user experiences. Eager to apply classroom learning and project experience to real-world design challenges in internships or entry-level roles.

Skills
